

DXC Notification Service

Free up resources and start automating process

Streamline notifications in one place with more accuracy and less expense

DXC Notification Service streamlines the regulatory-required notification process with automated electronic delivery, improving accuracy while reducing costs over in-house and outside vendor processing.

Reduce costs
25-50%
per transaction
over other
vendors

Reduce costs
50-80%
per transaction
over in-house
processing

80%+
average
electronic
delivery rate

Electronic delivery
network of
4,000+
trading partners

Relieve the pressure on your internal resources

Labor and paper
intensive process

High volume of return
and undeliverable mail

Staggering number
of lienholders and
government agencies

Overcome these challenges and give your business and bottom line room to breathe

Rising delivery costs
due to manual processes and
rising postage rates

Questionable data
from slow manual system updates

Poor customer experience
because of slow delivery times
and return-mail volume

Shift from manual to automatic and breathe easier

REDUCE COSTS
by automating a paper-intensive,
manual process

STREAMLINE DELIVERY
through one distribution point,
instead of multiple organizations

IMPROVE DATA ACCURACY
by accelerating notification
delivery, reducing customer service
call volume

INCREASE DATA VISIBILITY
with secure website-based access
to transaction history, including a
2-year running archive

GAIN BETTER RISK MANAGEMENT
through timely notification of
changes, protecting financed assets

PROCESS RETURNED MAIL
through automatic redirect
to current/correct address in
USPS database

Free resources to focus on insurance instead of process

Speed to market

- Implemented in <60 days
- No implementation fees
- No hardware, software or licenses to buy

Data integrity

- Complete audit trail of all transactions
- Sarbanes-Oxley and Gramm-Leach-Bliley compliant
- Industry standards leader (ACORD, X12)

Robust automated processing

- Personal and commercial auto
- Mortgage and escrow invoices
- Flood notices and flood escrow invoices
- 266/824 transactions
- E-remittance/820
- Preferred addresses
- DXC Notification Service website
- Return-mail processing

Quality results

40+
insurance company
customers

3
of the top 10 insurers

100M+
lienholder transactions
processed in 2023

Network of
4,000+
financial institutions

20+ years
accurately and safely
delivering notifications

Feel the relief
